

John Fallon Introduction:

Our speaker today is a highly successful speaker, presenter, coach, actor, author, musician and educator. John Fallon is a dynamic speaker with an extensive background in working with diverse audiences. He is well-versed in speaking to the most challenging of audiences and bringing about positive outcomes!

He has proven that the concepts he presents actually work in the real world! He is the author of three books: "Presentation Tips for Administrators," "Presentation Technology Tips for Administrators" and Teaching Presentation Skills." John's NEW book, "Life Lessons of an Underachiever", clearly shows how our personal experiences create lessons for achieving successes in life. He is also the creator of "PPT4Teachers.com," a website of free PowerPoint resources for teachers and educators!

John's mission is to empower his audience with the wherewithal to be the best version of themselves they can be! With humor and wit, John engages his audience with his messages on positive outcomes and strategies for success. He has addressed the needs of teachers, community organizations, corporations, and individuals for over thirty years!

John holds three degrees and is also a member of notable organizations such as the National Speakers Association. He has presented his insight on platforms from California to New York. Please welcome our speaker... John Fallon!!
